DATA PROTECTION NOTICE

We at APS Bank plc (C 2192) of APS Centre, Tower Street, Birkirkara, Malta, take every measure to ensure that your privacy is one of our topmost priorities. Please take the time to read through the below, which is applicable to you insofar as you are a data subject as understood by the EU General Data Protection Regulation (2016/679), briefly explaining how we process your personal data, before submitting the above form.

WHY WE NEED YOUR PERSONAL DATA - We need your personal data (the information you have provided to us in the loan application form above that identifies you as an individual) to provide you with the requested services, namely to provide you with our retail lending facilities and other related processing operations, including for the purpose of fraud prevention and compliance with regulations and legislation to which we are subject. Therefore, in this case, our legal bases for processing the said personal data are **necessity for the performance of a contract with you (or taking steps at your request prior to entering into such a contract) and our compliance with our legal obligations.**

We also need your personal data, where you decide to give it to us, to provide you with further information and/or quotations in relation to the insurance products which we may offer in our role as a tied insurance intermediary or otherwise. Since in this case we cannot or opt not to rely on the contractual necessity or legal obligations grounds, we will instead rely on your consent (provided to us in the form above where you choose to tick the appropriate tick box). **YOUR CONSENT CAN BE WITHDRAWN AT ANY TIME** by contacting us as explained below. However, do note that withdrawing consent will mean that we will no longer contact you to inform you of the insurance products we can provide you.

WHO WE SHARE YOUR PERSONAL DATA WITH - Your personal data will be made available to those people in the bank who need it to carry out their duties and provide you with the services you expect from us. We also share it with:

- Other financial institutions, tax authorities, trade associations, credit reference agencies, payment service providers and debt recovery agents;

Your personal data will not be disclosed to any other persons besides those mentioned here unless we are required to do so by law.

HOW LONG WE KEEP YOUR PERSONAL DATA FOR - We will keep your personal data only as long as is necessary. Necessity is dependent on legal obligations we may have, as a bank or otherwise. For instance, we are legally obliged to keep any personal data that can be deemed as 'accounting records' for **ten years**. Moreover, we are entitled to retain personal data in certain cases (as opposed to being obliged to do so). For example, when we believe that the personal data is necessary for us to defend ourselves against civil claims that may be brought against us, we are allowed to keep the data for as long as that risk subsists (usually **five years** from the end of our contractual relationship with you).

YOUR DATA PROTECTION RIGHTS - You, as a 'data subject' as understood under applicable data protection laws, have a number of rights that are applicable **under certain conditions and in certain circumstances**, including Your:

- **Right of access** to your personal data processed by us;
- **Right to ask us to rectify** inaccurate personal data concerning you;
